*Allowable Subject Matter*

1. The following is an examiner's statement of reasons for allowance: the present invention discloses a system in which computer hardware, software and communication technologies are combined in a novel ways to produce a multimedia collaboration system that greatly facilitates distributed collaboration, in part by replicating the benefits of face to face collaboration. The system tightly integrates a carefully selected set of multimedia and collaborative capabilities, principal among which are desktop teleconferencing and multimedia mail.

The prior art of record such as Conway et al. (US PAT: 5,446,476, hereinafter Conway) and Lewen et al. (US PAT: 5,341,374, hereinafter Lewen) in combination or alone fails to teach or suggest claim limitation of the independent claims 1, 14, and 25. For example, independent claim 1 has a limitation , in conjunction with other limitations, such as "at least one control communication link, arranged for transmission of control signals for controlling at least one of transmission, routing, processing and display of video signals and connection termination", and independent claims 14 and 25 have similar limitations as claim 1. To elaborate on this limitation, the specifications on page 11 discloses the following: "Control of A/V switching circuitry 30, conference bridges 35 and WAN gateway 40 in Figure 3 is provided by MLAN Server 60, via lines 60b, 60c, and 60d, respectively. In one embodiment, MLAN Server 60 supports TCP/IP network protocol suite. Accordingly, software process on CMW's 12 communicate with one

Art Unit: 2643

another and MLAN Server 60 via MLAN 10 (fig. 1) using these protocols" (page 11 lines 12-16). In view of above reasons independent claims 1, 14, 25 and their dependent claims are allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Claims 1-36 are allowed.
